

# 2017 Webinar Schedule: January - June

MEDICAL SUPPLIES FOR CARE AT HOME SINCE 1957

Shield HealthCare's educational webinars are designed to provide patients and clinicians with easily accessible, up-to-date health care information that fits in your schedule. Presenters share their expertise in a range of topics, from health care best practices to patient lifestyle information.

Join us each month for our live, interactive educational webinars and receive complementary resources for patients and staff. CE credit is available for some courses, as noted.
