

2017 Webinar Schedule: July - December

MEDICAL SUPPLIES FOR CARE AT HOME SINCE 1957

Shield HealthCare's educational webinars are designed to provide patients and clinicians with easily accessible, up-to-date health care information that fits in your schedule. Presenters share their expertise in a range of topics, from health care best practices to patient lifestyle information.

Join us each month for our live, interactive educational webinars and receive complementary resources for patients and staff. CE credit is available for some courses, as noted.

Clinical and Lifestyle Concerns with an Ostomy

1 CE Contact Hour Available

From stomal complications to skin care, Joy Hooper covers the most common clinical and lifestyle ostomy concerns. Hosted by Laura Cox, Ostomy Lifestyle Specialist

Presented by Joy Hooper, RN, BSN, CWOCN, OMS, WCC of the Wound Care Education Institute

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

Living Well with Incontinence

1 CE Contact Hour Available

This one-hour session addresses ways to reduce incontinence, and covers products and strategies for successful management - including skin care, fall prevention and more.

Presented by Barbara E. West, RN, MSN, CWOCN of Capital Nursing Education

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

Building Physical and Emotional Strength after Serious Injury

After serious injury, individuals face significant emotional and physical challenges. SCI survivor Aaron Baker discusses ways to improve function, independence and emotional resilience.

Presented by Aaron Baker, Spinal Cord Injury Lifestyle Specialist

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

Pressure Injury Staging Made Easy

1 CE Contact Hour Available

Test your staging skills! This interactive session will review the NPUAP staging guidelines and tissue types, providing insights and tips for quick and easy staging identification.

Presented by Nancy Morgan, RN, BSN, MBA, WOC, WCC, DWC, OMS, Co-founder of the Wound Care Education Institute

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

Managing Stress as the Parent of a Child with Special Needs

Learn coping strategies for chronic PTSD experienced by parents and caregivers as a result of the frequent hospitalizations, behavior issues and family conflict associated with raising a child with special needs.

Presented by Dr. Liz Matheis, Licensed Clinical Psychologist and Certified School Psychologist, who specializes in assisting children with disability and their families

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

Preventing Urinary Tract Infections in Seniors

1 CE Contact Hour Available

UTIs in seniors are often mistaken for the early stages of dementia or Alzheimer's. Learn how to identify those at increased risk and implement strategies to recognize subtle or atypical symptoms.

Presented by Barbara E. West, RN, MSN, CWOCN of Capital Nursing Education

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)
