

# 2018 Webinar Schedule: January - June

MEDICAL SUPPLIES FOR CARE AT HOME SINCE 1957

Shield HealthCare's educational webinars are designed to provide patients and clinicians with easily accessible, up-to-date healthcare information that fits in your schedule. Presenters share their expertise in a range of topics, from healthcare best practices to patient lifestyle information.

Join us each month for our live, interactive educational webinars and receive complimentary resources for patients and staff.  
**CE credit is available for some courses, as noted.**

## The Complete Nurses' Guide to Tube Feeding

1 CE Contact Hour Available

*This one-hour session addresses formula administration, feeding tube site care, troubleshooting complications, identifying signs of malnutrition and more. Nurses and family caregivers are all welcome.*

Presented by Jeff Souza, FNP of Capital Nursing Education

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

## OstomyLife: Choosing the Right Appliance

1 CE Contact Hour Available

*Adapting to life with an ostomy is helped by choosing the right appliance and accessories. In this one-hour session we look at choosing the right products based on an ostomate's stoma placement, skin care needs and lifestyle.*

Presented by Joy Hooper, RN, BSN, CWOCN, OMS, WCC, of the Wound Care Education Institute

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

## SCI Panel Interview: Spinal Cord Injury Roundtable

*After a spinal cord injury, the journey each individual faces is unique. Join SCI survivor Aaron Baker and a panel of featured special guest speakers as they discuss their individual challenges and how they overcome them.*

Presented by Aaron Baker, Spinal Cord Injury Lifestyle Specialist, and a panel of featured guest speakers living with SCI

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

## Tips for Coping with Caregiver Depression and Stress (Recognizing Stress Awareness Month)

1 CE Contact Hour Available

*Caring for a loved one strains even the most resilient people. During this Stress Awareness Month, learn techniques for coping with depression and stress - and take steps to support your health and well-being.*

Presented by Barbara E. West, RN, MSN, CWOCN, of Capital Nursing Education

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

## Wet-to-Dry: Substandard Wound Care

1 CE Contact Hour Available

*Wet-to-dry dressings may be appropriate in some circumstances, but the evidence reveals they offer substandard care. There are better alternatives.*

Presented by Dr. Don Wollheim MD, FAPWCA, WCC, DWC, of the Wound Care Education Institute

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)

## Aging in Place: Strategies for Staying Safe at Home (Recognizing National Home Safety Month)

1 CE Contact Hour Available

*With a growing number of older adults aging in place, it's increasingly important to make sure that the home is safe. Learn the latest strategies and tips for home safety this National Home Safety Month.*

Presented by Barbara E. West, RN, MSN, CWOCN, of Capital Nursing Education

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)
