Roundtable Discussion: Parenting a Child with Special Needs

Raising a child with complex medical, developmental and mental health needs can be a nerve-wracking experience. Join our panel of four parents as they discuss the skills and mindset they’ve developed to manage this extreme environment.

Presented by Alethea Mshar, special needs mom and blogger, and a guest panel featuring special needs parents who are active in the special needs community.

One session available: 9:00 am - 10:00 am Pacific Time (11:00 am - 12:00 pm Central Time)
